Hi Amy,

How is your day? I am having some trouble with our history homework, and I wanted to ask you for help. We have to write five sentences about a famous person, right? I decided to choose Thomas Edison because he is very famous and important. He invented many things, and I think he is a good person to write about. But I cannot remember when he was born, and I need that information for my homework. Could you please tell me? Also, I am not sure if we need to bring pictures to class. The teacher did not say clearly, so I am confused. Do you know the answer? Thank you very much for helping me. I really appreciate it.

Thanks,  
Kevin

Hi Kevin,

I have just read your e-mail. Yes, Edison is a great choice for the homework. He was born in 1847, so you can use that in your sentences. You only need to write five sentences, and you do not need to bring any pictures to class. The teacher said only sentences are necessary. I already finished my homework, so if you want, I can show you mine tomorrow morning. Maybe it will help you get some ideas. Let's meet in front of the classroom before the bell rings. Then I can give you the information and show you my work. Don't worry, you will do fine. I am sure your sentences will be good. See you tomorrow, and good luck with your homework!

See you,  
Amy

Hi Amy,

元気ですか？ 歴史の宿題で困っているので、助けてほしいです。有名な人について 5 つの文章を書かないといけないんですよね？ 彼はとても有名で重要な人物だからトーマス・エジソンを選びました。彼はたくさんのものを発明したので、書くのにふさわしい人物だと思います。でも、彼がいつ生まれたのか思い出せなくて、宿題にその情報が必要なんです。教えていただけますか？ あと、授業に写真を持っていく必要があるのかもわかりません。先生がはっきりと言わなかったので、混乱しています。答えは分かりますか？ 助けてくれて本当にありがとう。本当に感謝しています。

Thanks,

Kevin

Hi Kevin,

メールを読みました。はい、宿題にはエジソンがぴったりです。彼は 1847 年生まれなので、その名前を使って文章を作ることができます。5 つの文を書いて、絵は授業に持ってこなくても大丈夫です。先生は文だけでいいと言っていました。私はもう宿題を終えたので、もしよければ明日の朝、私の宿題を見せてあげましょう。きっと何かヒントになると思います。チャイムが鳴る前に教室の前に集まりましょう。それから情報を渡して、私の宿題を見せます。心配しないでください。きっとうまくいきますよ。きっと良い文章が書けると思います。また明日お会いしましょう。宿題頑張ってください！

See you,

Amy
